## WELCOME

## PRELUDE

Holy, Holy, Holy

## \*CALL TO WORSHIP *(Responsive)*

We join the Heavenly Beings ascribing glory to God.

**We ascribe glory to the name of the Lord.**

We are called to worship God in holy splendor.

**To the God who creates and provides, we sing  
our praise and thanksgiving.**

To the Son who reveals our purpose, we bring our  
open minds.

**To the Holy spirit who makes all things new,  
we lift our souls in holy anticipation and joy.**

**Let us worship God together!**

## \*OPENING HYMN

This is My Father's World pg. 144

## \*INVOCATION

Eternal God, who towers as high as goodness can reach and stoops as low as love can bend, we worship you. In creation you come to us as a presence that enables us to cultivate the earth and respect it. In Christ you come to us as a presence that enables us to discern our oneness and celebrate it.

O Lord our God, our Creator and Redeemer and Sustainer, even though you are present to us in

more ways that we can ever know, we come here today, not asking for your knowledge but seeking your presence, through Christ our Lord.
